

Fig.15

(a) diagram illustrating the observation mode of the displacement sensor of the present invention

(b) view of the upper surface of the measurement object seen from above

A diagram showing the operation of the displacement sensor of the present invention under the ~~measurement~~ observation mode

Fig. 16

(a) diagram illustrating the observation mode using the measurement light path

(b) view of the upper surface of the measurement object seen from above

A diagram showing the operation of the displacement sensor
of the present invention under the observation mode
using the measurement light path

Fig. 18

A view showing a modified embodiment of the sensor head of the present invention
